COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) READ WITH SECTION 129(4) OF THE COMPANIES ACT, 2013 ON THE CONSOLIDATED FINANCIAL STATEMENTS OF INDORE SMART CITY DEVELOPMENT CORPORATION LIMITED FOR THE YEAR ENDED 31 MARCH 2023

The preparation of Consolidated Financial Statements of Indore Smart City Development Corporation Limited for the year ended 31 March 2023, in accordance with financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the Company. The Statutory Auditor appointed by the Comptroller and Auditor General of India under Section 139(5) read with section 129(4) of the Act is responsible for expressing opinion on the Financial Statements under Section 143 of the Act based on their independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 29 September, 2023.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the Consolidated Financial Statements of Indore Smart City Development Corporation Limited for the year ended 31 March 2023 under Section 143(6)(a) read with Section 129(4) of the Act. We conducted supplementary audit of Indore Idea Factory Foundation for the year ended on that date. This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditors and Company personnel and selective examination of some of the accounting records.

Based on my supplementary audit, I would like to highlight the following significant matters under Section 143(6)(b) read with Section 129(4) of the Act which have come to my attention and which, in my view, are necessary for enabling a better understanding of the Financial Statements and the related audit report.

#### A. Comments on Profitability

#### **Profit & Loss Statement**

#### Earning per equity Share (Note 34)

1. According to Ind AS 33 (Earning per share), the basic and diluted EPS of the Company works out to minus ₹0.03928 lakh (₹78.56 lakh /20,00,00,000 shares). However, the Company has shown it as nil. Hence, Note to Accounts no. 34 and the Profit & Loss Statement are deficient to that extent.

#### B. Comments on Cash Flow

#### **Cash Flow Statement**

#### **Cash Flow from Investing Activities**

2. As per para 6 of Indian Accounting Standard (Ind AS) 7, Statement of Cash Flows: "Investing activities are the acquisition and disposal of long-term assets and other investments not included in cash equivalents." During the year, the Company has received interest of ₹99.73 lakhs (₹94.35 lakhs being interest income less ₹0.86 lakhs accrued interest plus ₹6.24 lakhs accrued interest of the previous year), which is part of investing activities of the Company and the same should have been shown as Cash Flow from Investing Activities instead of Operating

Activities. This has resulted in overstatement of Cash Flow from Operating Activities and understatement of Cash Flow from Investing Activities by ₹99.73 lakh.

#### C. Other Comments

3. As per the Section 173 of Companies Act, 2013 "Every company shall hold the first meeting of the Board of Directors within thirty days of the date of its incorporation and thereafter hold a minimum number of four meetings of its Board of Directors every year in such a manner that not more than one hundred and twenty days shall intervene between two consecutive meetings of the Board".

It was noticed that instead of 04 Board meetings only 03 Board meetings were held during the financial year 2022-23. Further, the difference between the 21<sup>st</sup> & 22<sup>nd</sup> meetings and 23<sup>rd</sup> & 24<sup>th</sup> meetings was more than one hundred and twenty days. Thus, the Company has failed to comply with the provisions of Section 173 of the Companies Act, 2013.

## Contingent Liabilities (Note no. 36)

4. The above does not include ₹46.77 crore claimed by M/s. Gannon Dunkerley & Company Limited on account of termination of contract. The contract was terminated as on 05.10.2018 and a case has been filed by the contractor for Arbitration. The final hearing of the case is still pending as on 22.08.2023. Therefore, the Company should have shown ₹46.77 crore as its contingent liabilities. Hence, Notes to Accounts are deficient up to that extent.

# COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE STANDALONE FINANCIAL STATEMENTS OF INDORE SMART CITY DEVELOPMENT CORPORATION LIMITED FOR THE YEAR ENDED 31 MARCH 2023

The preparation of standalone financial statements of Indore Smart City Development Corporation Limited for the year ended 31 March 2023, in accordance with the financial reporting framework prescribed under the Companies Act, 2013 is the responsibility of the management of the Company. The statutory auditor appointed by the Comptroller and Auditor General of India under Section 139(5) of the Act is responsible for expressing opinion on the financial statements under Section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under Section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 29 September, 2023.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the financial statements of Indore Smart City Development Corporation Limited for the year ended 31 March 2023 under Section 143(6)(a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the statutory auditors and is limited primarily to inquiries of the statutory auditors and Company personnel and a selective examination of some of the accounting records.

Based on my supplementary audit, I would like to highlight the following significant matters under Section 143(6)(b) of the Act which have come to my attention and which in my view are necessary for enabling a better understanding of the financial statements and the related Audit Report.

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) READ WITH SECTION 129(4) OF THE COMPANIES ACT, 2013 ON THE CONSOLIDATED FINANCIAL STATEMENTS OF INDORE SMART CITY DEVELOPMENT CORPORATION LIMITED FOR THE YEAR ENDED 31 MARCH 2023

The preparation of Consolidated Financial Statements of Indore Smart City Development Corporation Limited for the year ended 31 March 2023, in accordance with financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the Company. The Statutory Auditor appointed by the Comptroller and Auditor General of India under Section 139(5) read with section 129(4) of the Act is responsible for expressing opinion on the Financial Statements under Section 143 of the Act based on their independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 29 September, 2023.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the Consolidated Financial Statements of Indore Smart City Development Corporation Limited for the year ended 31 March 2023 under Section 143(6)(a) read with Section 129(4) of the Act. We conducted supplementary audit of Indore Idea Factory Foundation for the year ended on that date. This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditors and Company personnel and selective examination of some of the accounting records.

Based on my supplementary audit, I would like to highlight the following significant matters under Section 143(6)(b) read with Section 129(4) of the Act which have come to my attention and which, in my view, are necessary for enabling a better understanding of the Financial Statements and the related audit report.

#### A. Comments on Profitability

#### **Profit & Loss Statement**

#### Earning per equity Share (Note 34)

1. According to Ind AS 33 (Earning per share), the basic and diluted EPS of the Company works out to minus ₹0.03928 lakh (₹78.56 lakh /20,00,00,000 shares). However, the Company has shown it as nil. Hence, Note to Accounts no. 34 and the Profit & Loss Statement are deficient to that extent.

#### B. Comments on Cash Flow

#### **Cash Flow Statement**

#### **Cash Flow from Investing Activities**

2. As per para 6 of Indian Accounting Standard (Ind AS) 7, Statement of Cash Flows: "Investing activities are the acquisition and disposal of long-term assets and other investments not included in cash equivalents." During the year, the Company has received interest of ₹99.73 lakhs (₹94.35 lakhs being interest income less ₹0.86 lakhs accrued interest plus ₹6.24 lakhs accrued interest of the previous year), which is part of investing activities of the Company and the same should have been shown as Cash Flow from Investing Activities instead of Operating

Activities. This has resulted in overstatement of Cash Flow from Operating Activities and understatement of Cash Flow from Investing Activities by ₹99.73 lakh.

#### C. Other Comments

3. As per the Section 173 of Companies Act, 2013 "Every company shall hold the first meeting of the Board of Directors within thirty days of the date of its incorporation and thereafter hold a minimum number of four meetings of its Board of Directors every year in such a manner that not more than one hundred and twenty days shall intervene between two consecutive meetings of the Board".

It was noticed that instead of 04 Board meetings only 03 Board meetings were held during the financial year 2022-23. Further, the difference between the 21<sup>st</sup> & 22<sup>nd</sup> meetings and 23<sup>rd</sup> & 24<sup>th</sup> meetings was more than one hundred and twenty days. Thus, the Company has failed to comply with the provisions of Section 173 of the Companies Act, 2013.

#### Contingent Liabilities (Note no. 36)

4. The above does not include ₹46.77 crore claimed by M/s. Gannon Dunkerley & Company Limited on account of termination of contract. The contract was terminated as on 05.10.2018 and a case has been filed by the contractor for Arbitration. The final hearing of the case is still pending as on 22.08.2023. Therefore, the Company should have shown ₹46.77 crore as its contingent liabilities. Hence, Notes to Accounts are deficient up to that extent.

#### INDEPENDENT AUDITOR'S REPORT

To,

#### THE MEMBERS OF INDORE SMART CITY DEVELOPMENT LIMITED

#### Report on the audit of the Standalone Financial Statements

We have audited the accompanying standalone financial statements of INDORE SMART CITY DEVELOPMENT LIMITED ("the company"), which comprise the Standalone Balance Sheet as at 31<sup>st</sup> March 2023, the Standalone Statement of Profit and Loss (Including other Comprehensive Income), Standalone Cash Flow Statement, the Standalone Statement of Changes in Equity for the year then ended and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

#### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ("Ind AS") prescribed under section 133 of the act read with Companies (Indian Accounting Standards) Rules, 2015 as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2023, Loss (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

#### **Other Information**

The Company's Board of Directors is responsible for the other information. The other information obtained at the date of this auditor's report is information included in the annual report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation preclude public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters Specified in paragraphs 3 and 4 of the Order, to the extent applicable.

- 2. #### Annexure C

# Annexure to the Independent Auditor's Report (Referred to in our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **INDORE SMART CITY DEVELOPMENT LIMITED** ("the Company") as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ("the Act").

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

## Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have examined the books of accounts of **INDORE SMART CITY DEVELOPMENT LIMITED, Indore** for the year ended 31<sup>st</sup> March 2023 and as per the information and explanation given to us, we submit our report under section 143(5) of the Companies Act, 2013 as under:-

1. Whether the company has system in place to process all the accounting transaction through IT system? If yes, the implications of processing of accounting transactions outside IT system on the integrity of the accounts along with the financial implications, if any, may be stated.

The Company has system to punch accounting transactions in IT system by manual operators. The transactions are recorded manually in IT system after transactions have taken place.

The Company has system in place to record all the accounting transactions through IT system. System generated trial balances and ledgers were available.

The amount of transactions and the volume of transactions are very high. The processing of accounting transactions outside IT system is expected to increase the risk of omission of recording transactions, delays in closing of books of accounts by management and delays in finalization of audit procedures.

2. Whether there is any restructuring of an existing loans or cases of waiver/write off of debts/loans/interest etc. made by lender to the company due to company's inability to repay the loan? If yes, the financial impact may be stated. Whether such cases are properly accounted for? (In

To the best of our knowledge, information and explanations provided to us, the Company has not taken any loans at any time during the year.

case, lender is a Government company, then this direction is also applicable for statutory auditor of Lender Company).

- 3. Whether funds (grants/ subsidy) received/ receivable for specific schemes from Central/State agencies were properly accounted for/utilized as per its term and conditions? List the cases of deviation.
- 4. Whether the company has taken adequate measures to prevent encroachment of idle land owned by it. Whether any land of the company is encroached, under litigation, not put to use or declared surplus? Details may be provided.
- 5. Whether the system in vogue for identification of projects to be taken up under Public Private Partnership is in line with the guidelines/policies of the Government? Comment on deviation if any.
- 6. Whether system for monitoring the execution of work vis-a`-vis the milestones stipulated in the agreement is in existence and the impact of cost escalation, if any, revenue/ losses from contracts etc., have been properly accounted for in the

The funds received for specific schemes from central / state agencies were properly accounted for. It is being utilized as per its terms and conditions. However, the Government grant has not yet been completely utilized as per the financial statements as at 31-03-2023.

The Madhya Pradesh Government has allotted 16.413 hectare land to the Company at MOG line Indore without any monetary consideration. On the basis of Information, explanation and Management Representation received from the company there is no encroachment on the said land. However, there are government quarters on the said land and demolition of said government quarters is under process.

Yes, the company is in the process of identification and executing projects under Public Private Partnership under the Smart City Mission of Government of India.

The system for monitoring the execution of work vis-à-vis the milestones stipulated in the agreement is in existence. The impact of cost escalation, if any, revenue / losses from contracts etc., have been properly accounted for in the books.

books.

7. Whether funds received/ receivable for specific schemes from central/ state agencies were properly accounted for/ utilized? List the cases of deviations.

**8.** Whether the bank guarantees have been revalidated in time?

 Comment on the confirmation of the balances of trade receivables, trade payables, term deposits, bank accounts and cash obtained.

**10.** The cost incurred on abandoned projects and may be quantified and the amount actually written off shall be mentioned.

The funds received for specific schemes from central / state agencies were properly accounted for. It is being utilized as per its term and conditions. However, the Government grant has not yet been completely utilized as per the financial statements as at 31-03-2023.

There is a system in place in the Company wherein it makes payment after checking the status of bank guarantee expiry dates to counter the risk of non-revalidation of bank guarantees in time.

The Company has obtained confirmation of balances of term deposits and bank accounts. The Company has sent balance confirmation letters to some of trade payables/ trade receivables.

To the best of our information and explanation provided to us we report that no instance of abandoning any project has taken place. Re-tendering of projects are generally done where existing contractors fails to complete it.

It is a Special Purpose Vehicle (SPV) created for the implementation of the "Smart City Mission" at the Indore city. The SPV will plan, appraise, approve, release funds, implement, manage, operate, monitor and evaluate the smart city development project as per the Mission Statement & Guideline issued by Ministry of Urban Development Government of India.

#### 2. BASIS OF PREPARATION AND SIGNIFICANT ACCOUNTING POLICIES

#### 2.1 BASIS OF PREPARATION AND PRESENTATION

The Company maintains its accounts on accrual basis following historical cost convention, except for certain assets and liabilities that are measured at fair value or amortised cost in accordance with Indian Accounting Standards.

The Balance Sheet, Statement of Profit and Loss and Statement of Changes in Equity are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows" by use of Indirect Method of Cash Flow method. The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Accounting Standards.

The financial statements of the Company have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013. Company's financial statements are presented in Indian Rupees (INR), which is also its functional currency.

All values are rounded to the nearest lakhs, except when otherwise indicated, as permitted by Schedule III to the Companies Act, 2013. Transactions and balances with values below the rounding off norm adopted by the Company have been reflected as "0" in the relevant notes to these financial statements.

#### 2.2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### a) Property, Plant and Equipment (PPE) & Depreciation

- i) Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.
- ii) Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably. In the carrying amount of an item of PPE, the cost of replacing the part of such an item is recognized when that cost is incurred if the recognition criteria are met. The carrying amount of those parts that are replaced is derecognized in accordance with the derecognition principles.
- iii) Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre operative expenses and disclosed under Capital Work in Progress.
- Depreciation on property, plant and equipment is provided using straight line method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.
   Each part of an item of Property, Plant & Equipment with a cost that is significant in relation to total cost of the Machine is depreciated separately, if its useful life is different than the life of the Machine.
- v) That the useful life of Energy Efficient LED Street Lightning PAN City is taken as per the O&M Period of tendor conditions i.e 5 years and 7 years as applicable.
- vi) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.
- vii) Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.
- viii) Spare parts procured along with the Plant & Machinery or subsequently which meet the recognition criteria are capitalized and added in the carrying amount of such item. The carrying amount of those spare parts that are replaced is derecognized when no future economic benefits are expected from their use or upon disposal. Other machinery spares are treated as "stores & spares" forming part of the inventory.

M No. 07 898 P. C. W. A. C. W.

ix) That the cost of an item of property, plant & equipment shall be recognised as an asset if and only if ,it is probable that the future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably

#### b) Leases

- Leases are classified as finance leases whenever the terms of the lease, transfers substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.
- ii) Leased assets: Assets held under finance leases are initially recognised as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation.
- iii) Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately in Statement of Profit and Loss, unless they are directly attributable to qualifying assets, in which case they are capitalized. Contingent rentals are recognised as expenses in the periods in which they are incurred.
- iv) A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.
- v) Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except where another systematic basis is more representative of time pattern in which economic benefits from the leased assets are consumed.

#### c) Intangible assets

- i) Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortization /depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.
- ii) Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.
- iii) Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised

#### d) Capital Work in Progress

- i) Expenditure incurred on assets under construction (including a project) is carried at cost under Capital Work in Progress. Such costs comprises purchase price of asset including import duties and non-refundable taxes after deducting trade discounts and rebates and costs that are directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.
- ii) Cost directly attributable to projects under construction include costs of employee benefits, expenditure in relation to survey and investigation activities of the projects, cost of site preparation, initial delivery and handling charges, installation and assembly costs, professional fees, expenditure on maintenance and up-gradation etc. of common public facilities, depreciation on assets used in construction of project, interest during construction and other costs if attributable to construction of projects. Such costs are accumulated under "Capital works in progress" and subsequently allocated on systematic basis over major assets, other than land and infrastructure facilities, on commissioning of projects.
- capital Expenditure incurred for creation of facilities, over which the Company does not have control but the creation of which is essential principally for construction of the project is capitalized and carried under "Capital work in progress" and subsequently allocated on systematic basis over major assets, other than land and infrastructure facilities, on commissioning of projects, keeping in view the "attributability" and the "Unit of Measure" concepts in Ind AS 16- "Property, Plant & Equipment". Expenditure of such nature incurred after completion of the project, is charged to Statement of Profit and Loss.

#### e) Finance Cost

- i) Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.
- Interest income earned on the temporary investment of specific grants pending their expenditure on project assets is added to the grant itself.
- iii) All other borrowing costs are expensed in the period in which they occur.

#### f) Inventories

- i) Items of inventory are measured at lower of cost and net realisable value after providing for obsolescence, if any. Cost of inventories comprises of cost of purchase, cost of conversion and other costs incurred in bringing them to their respective present condition
- ii) Cost of Inventory are determined using the First-In First-Out(FIFO) basis on moving average prices.
- iii) The Carbon Emission reduction (CER) units majorly belongs to IMC, therefore not recognised

#### g) Impairment of non-financial assets - property, plant and equipment and intangible assets

- The Company assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called Cash Generating Units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.
- ii) An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.
- iii) The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

#### h) Provisions, Contingent Liabilities and Contingent Assets and Commitments

- i) Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Such provisions are determined based on management estimate of the amount required to settle the obligation at the balance sheet date. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a standalone asset only when the reimbursement is virtually certain.
- ii) If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.
- iii) Contingent liabilities are disclosed on the basis of judgment of management. These are reviewed at each balance sheet date are adjusted to reflect the current management estimate.
- iv) Contingent assets are not recognized but are disclosed in the financial statements when inflow of economic benefits is probable.

#### i) Income Taxes

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the other comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

#### i) Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

#### ii) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

#### j) Employee Benefits Expense

#### Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

#### Post-Employment Benefits

Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund, Superannuation Fund and Pension Scheme. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

#### k) Revenue recognition

Revenue is measured at the amount of consideration which the Company expects to be entitled to in exchange for transferring services to a customer as specified in the contract, excluding amounts collected on behalf of third parties (for example taxes and duties collected on behalf of the government). Consideration is generally due upon satisfaction of performance obligations and a receivable is recognised when it becomes unconditional.

Revenue from contracts with customers is recognised when control of services are transferred to the customer at an amount that reflects the consideration entitled in exchange for those goods or services.

Revenue from rendering of services is recognised over time by measuring the progress towards complete satisfaction of performance obligations by using output method at the reporting period

Income arising from carbon credit is recognised on transfer / sale of carbon credits

#### Interest income

Interest income from a financial asset is recognised using effective interest rate (EIR) method.

#### 1) Financial Intruments

#### i) Financial Assets

#### A. Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition.

#### B. Subsequent measurement

Financial assets carried at amortised cost

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

#### Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

#### Financial assets at fair value through profit or loss (FVTPL)

A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL.

#### C. Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

#### ii) <u>Financial Liabilities</u>

#### A. Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

#### B. Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

#### m) Operating Cycle

The Company presents assets and liabilities in the balance sheet based on current / non-current classification based on operating cycle.

An asset is treated as current when it is:

- a. Expected to be realized or intended to be sold or consumed in normal operating cycle;
- b. Held primarily for the purpose of trading;
- c. Expected to be realized within twelve months after the reporting period, or
- d. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- a. It is expected to be settled in normal operating cycle;
- b. It is held primarily for the purpose of trading;
- c. It is due to be settled within twelve months after the reporting period, or
- d. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The company has identified twelve months as its operating cycle.

#### n) Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for events of bonus issue; bonus element in a right issue to existing shareholders.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

#### o) Statement of Cash Flows

i) Cash and Cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

 Statement of Cash Flows is prepared in accordance with the Indirect Method prescribed in the relevant Accounting Standard.

#### p) Government Grants

The company recognises government grants only when there is resonable assurance that the conditions attached to them will be complied with and the grants will be received. When the grant relates to an expense item is recognised as income on a systematic basis over the periods that the related cost, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognised as defferred revenue in the Balance Sheet and transferred to Profit & loss account on a systematic basis over the expected useful life of the related asset

Non monetary grant in the form of asset or other resourses is recognised at Nominal Value. Grant related to income are presented as part of Profit & Loss Account under other Income and related expenses under their respective head

#### q) Investment Property

Property that is held for long term rental or for capital appreciation or both and that is not occupied by the company, is classifed as investment property. Investment property in initially measured at cost but investment property acquired without consideration is measured at Nominal Value.

#### 2.3 CRITICAL ACCOUNTING JUDGMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of the financial statements in conformity with the Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures as at date of the financial statements and the reported amounts of the revenues and expenses for the years presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates under different assumptions and conditions. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

#### a) Depreciation / amortisation and useful lives of property plant and equipment / intangible assets

Property, plant and equipment / intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

#### b) Provisions

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgment to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

#### c) Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

#### d) Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

#### e) Recognition of Assistance from Indore Municipal Corporation

The Facilities given by the Indore Municipal Corporation have been recognised and estimations have been made in relation to the period of the assistance given, disocunting factor for such assistance and valuation of the assistance given.

#### f) Accounting of Long Term Security Deposits

Discounting factors while accounting for the Security Deposits have been made to bring them to their present value.

#### g) Estimation of Economic Benefits flowing from the Property Plant and Equipments

Estimates for the future economic benefits have been made on the basis of various factors preveailing as on the date of Financial Statements.

#### h) Financial liabilites subsequently measured at fair value through profit & Loss Account.

FMV is determined by discounting the estimated future cash outflows at the end of the reporting period. The discount rate is determined as the rate at which other financial instruments of the company are getting return i.e. financial assets of the company. It has been determined at yield percentage of deposits made by the company during the year. Till last year the discounting was done at the rate of mobilisation advance given

#### 3) Recent accounting pronouncements

Standards issued but not yet effective and not early adopted by the Company

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as below.

#### Ind AS 1 - Presentation of Financial Statements

The amendments require companies to disclose their material accounting policies rather than their significant accounting policies. Accounting policy information, together with other information, is material when it can reasonably be expected to influence decisions of primary users of general-purpose financial statements. The Company does not expect this amendment to have any significant impact in its financial statements.

#### Ind AS 12 - Income Taxes

The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences. The Company does not expect this amendment to have any significant impact in its financial statements.

#### Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors

The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are "monetary amounts in financial statements that are subject to measurement uncertainty". Entities develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty. The Company does not expect this amendment to have any significant impact in its financial statements.

#### Explanation to the fair value hierarchy

The Company measures financial instruments, at fair value at each reporting date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1

Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2

The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3

If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration included in level 3.

#### (iv) Foreign Currency Risk:

The Company does not have any dealing in any foreign currency. Hence the Company does not have any exposure and is free of any Risk associates with Foreign Currency.

There is no impact on the profit / Loss of the Company on fluctuation of any foreign currency.

#### (v) Interest Rate Risk

The exposure of the company's financial Assets in Fixed Deposits would be impacted to interest rate changes at the end of the reporting period. The details are as follows

Interest Rate Exposure	₹ (In La		
Particulars	As at 31st March,2023	As at 31st March,2022

Impact on P & L	42.59	42.59	148.94	148.94	
Total Impact	42.59	42.59	148.94	148.94	

#### (vi) Credit Risk

Credit risk is the risk that a customer or counterparty to a financial instrument fails to perform or pay the amounts due causing financial loss to the company. Credit risk arises mainly from the advances given to Contractors for execution of work.

The company has a prudent and conservative process for managing its credit risk arising in the course of its business activities. The credit ratings/market standing of the customers are evaluated on a regular basis.

#### (vii) Liquidity Risk

Liquidity risk arises from the Company's inability to meet its cash flow commitments on time. Prudent liquidity risk management implies maintaining sufficient stock of cash. The Company maintains adequate cash and cash equivalents alongwith the need based credit limits to meet the liquidity needs.

#### (viii) Maturity Analysis for financial liabilities
